The Houston Community Foundation is a Non-profit organization that invests donations and distributes the earnings to local non-profits and other organizations in the community through a grant making process. The principal continues to grow enabling the Foundation to continue helping the Houston area for years to come.

We are also a one-stop, gift-giving shop!

A gift to Houston Community Foundation can be distributed according to your wishes to other foundations and organizations under our umbrella such as the Texas County Memorial Healthcare Foundation, the Houston Education Foundation, Texas County Technical College, or the Houston Optimist Club to name a few.
