OR THIS?

Seventy-five years after the curtain went up for the first time at the Melba Theatre in downtown Houston, several organizations are working to renovate the historic downtown Houston building. The project is estimated to cost more than \$750,000.

We would like to invite you to help with the renovation by sponsoring a seat.

For \$250, you may sponsor a seat with your name displayed on the back. There will be only 200 permanent seats available.

Send your \$250 and contact information to:
Downtown Houston Inc.
P.O. Box 170, Houston, MO 65483

Chair parts found at the Melba give a glimpse of early seating.
