National Park Service seeks information from the public to help locate missing woman

Date: May 22, 2020

Contact: NPS Investigative Services Branch

Tip Line: 888-653-0009

Special Agents with the National Park Service Investigative Services Branch (ISB), the Texas County Sheriff's Department, and the Missouri Highway Patrol are seeking information to help locate a missing woman from Mountain View, MO.

Brittany K. Gorman, age 29, was last seen at a residence west of Mt View, about 3-4 PM on Wednesday, May 20, 2020. She was believed to headed to Winona, MO. Gorman is 5'02" tall, has blonde hair, and green eyes.

US Park Rangers discovered Gorman's unoccupied pickup truck within Ozark National Scenic Riverways at Buck Hollow, on the Jacks Fork River, along Highway 17 North about 1:30 PM on Thursday, May 21, 2020. She was not reported missing but her family last heard from her on May 20, 2020. Items found at the scene suggest she might be injured. Special Agents with the National Park Service Investigative Services Branch have opened a missing person investigation in coordination with the Texas County Sheriff's Department and Missouri Highway Patrol.

If you have information that could help investigators, or if you were in the area of Buck Hollow around May 20-21, please contact us. You don't have to tell us who you are, but please tell us what you know:
